

**'The Code' sung by Nemo Mettler  
Eurovision winner 2024**

Whoa-oh-oh

Welcome to the show, let everybody know  
I'm done playing the game, I'll break out of the chains

You better buckle up, I'll pour another cup  
This is my bohème, so drink it up, my friend

This story is my truth

I, I went to Hell and back  
To find myself on track  
I broke the code, whoa-oh-oh  
Like ammonites

I just gave it some time  
Now I found paradise  
I broke the code, whoa-oh-oh

Yeah  
Let me tell you a tale about life  
'Bout the good and the bad, better hold on tight  
Who decides what's wrong, what's right?  
Everything is balance, everything's light  
I got so much on my mind, and I been awake all night  
I'm so pumped, I'm so psyched  
It's bigger than me, I'm getting so hyped, like

let me taste the lows and highs  
(Oh) let me feel that burning fright  
(Oh) this story is my truth

I, I went to Hell and back  
To find myself on track  
I broke the code, whoa-oh-oh  
Like ammonites  
I just gave it some time  
Now I found paradise  
I broke the code, whoa-oh-oh

Somewhere between the O's and ones  
That's where I found my kingdom come  
My heart beats like a-  
Somewhere between the O's and ones  
That's where I found my kingdom come  
My heart beats like a drum

I, I went to Hell and back  
To find myself on track  
I broke the code, whoa-oh-oh  
Like ammonites  
I just gave it some time  
Now I found paradise  
I broke the code, whoa-oh-oh, whoa-oh-oh

**'All I know so far' sung by Pink (2021)**

Haven't always been this way  
I wasn't born a renegade  
I felt alone, still feel afraid  
I stumble through it anyway

I wish someone would have told me that this life is  
ours to choose  
No one's handing you the keys or a book with all  
the rules  
The little that I know I'll tell to you  
When they dress you up in lies and you're left  
naked with the truth

You throw your head back, and you spit in the wind  
Let the walls crack, 'cause it lets the light in  
Let 'em drag you through hell  
They can't tell you to change who you are  
That's all I know so far  
And when the storm's out, you run in the rain  
Put your sword down, dive right into the pain

Stay unfiltered and loud, you'll be proud of that skin  
full of scars  
That's all I know so far  
That's all I know so far

So you might give yourself away, yeah  
And pay full price for each mistake  
But when the candy-coating hides the razor blade  
You can cut yourself loose and use that rage

I wish someone would have told me that this  
darkness comes and goes  
People will pretend but baby girl, nobody knows  
And even I can't teach you how to fly  
But I can show you how to live like your life is on  
the line

You throw your head back, and you spit in the wind  
Let the walls crack, 'cause it lets the light in  
Let 'em drag you through hell  
They can't tell you to change who you are  
That's all I know so far  
And when the storm's out, you run in the rain  
Put your sword down, dive right into the pain  
Stay unfiltered and loud, you'll be proud of that skin  
full of scars  
That's all I know so far

That's all I know, that's all I know so far  
That's all I know, that's all I know so far  
That's all I know, that's all I know so far  
That's all I know, that's all I know so far

I will be with you 'til the world blows up, yes  
Up, and down, and through 'til the world blows up  
Yeah  
When it's right, or it's all f\*ed up 'til the world blows up  
'Til the world blows up  
And we will be enough  
And until the world blows up

Just throw your head back, and spit in the wind  
Let the walls crack, 'cause it lets the light in  
Let 'em drag you through hell  
They can't tell you to change who you are

And when the storm's out, you run in the rain  
Put your sword down, dive right into the pain  
Stay unfiltered and loud, you'll be proud of that skin  
full of scars  
That's all I know so far

That's all I know, that's all I know so far  
That's all I know, that's all I know so far  
That's all I know, that's all I know so far  
That's all I know, that's all I know so far

I will be with you 'til the world blows up, hm

### **'Come Alive' from The Greatest Showman (2017)**

You stumble through your days  
Got your head hung low  
Your sky's a shade of grey  
Like a zombie in a maze  
You're asleep inside  
But you can shake awake

'Cause you're just a dead man walkin'  
Thinkin' that's your only option  
But you can flip the switch and brighten up your  
darkest day  
Sun is up and the color's blinding  
Take the world and redefine it  
Leave behind your narrow mind  
You'll never be the same

Come alive, come alive  
Go and light your light  
Let it burn so bright  
Reachin' up

To the sky  
And it's open wide  
You're electrified

When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And you know you can't go back again  
To the world that you were living in  
'Cause you're dreaming with your eyes wide open  
So, come alive (whoa)

I see it in your eyes  
You believe that lie  
That you need to hide your face  
Afraid to step outside  
So you lock the door  
But don't you stay that way

No more living in those shadows  
You and me we know how that goes  
'Cause once you see it, oh, you'll never, never be  
the same  
We will be the light that's turning  
Bottle up but keep on shining  
You can prove there's more to you  
You cannot be afraid

Come alive, come alive  
Go and light your light  
Let it burn so bright  
Reachin' up  
To the sky  
And it's open wide  
You're electrified

When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And we know we can't be go back again  
To the world that we were living in

'Cause we're dreaming with our eyes wide open  
So, come alive

Come one  
Come all  
Come in  
Come on

To anyone who's bursting with a dream

Come one  
Come all  
You hear  
The call

To anyone who's searching for a way to break free

Break free  
Break free

When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And we know we can't be go back again  
To the world that we were living in  
'Cause we're dreaming with our eyes wide open  
(Hey)

When the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
(the world becomes a fantasy) (Yeah, yeah)  
And we know we can't be go back again  
To the world that we were living in  
'Cause we're dreaming with our eyes wide open  
'Cause we're dreaming with our eyes wide open

So come alive (come alive)  
(Yeah, yeah, yeah)
